Church Words

by Rev Canon David Sherwin

This month in the church calendar we reach what we call ‘Pentecost’, remembering the time after which Jesus had ascended into heaven and sent his Holy Spirit upon the church to enable it to grow.

Pentecost has its roots in the Jewish festival called ‘the feast of weeks’, which was 7 weeks after Passover, the time when Jesus was crucified and rose again, (Easter). It was an early harvest which offerings were made to God with thanksgiving.

The period between Ascension Day and Pentecost, which is 10 days, is a period that the Archbishop of Canterbury and other church denominational leaders have called us to pray for our nation. The call has now gone worldwide and in a world where there are so many problems, including our own country, there is a great need to pray.

Have you ever prayed? A high percentage of us will have done so at some point in our lives, whether during a difficult period of our lives or as a daily practice, prayer is offered.

Do we know to whom you are praying? Well that will depend upon our religious beliefs and faith. The easiest response to this would be to say to ‘God’ of course. The supreme being and creator of us all, yet does that make God feel remote to us?

Well, as a Christian I do believe that when I pray God hears me and I have access to him through Jesus and the Holy Spirit helps me pray. There is an intimacy in prayer that is vital. I know who my creator is, he has been revealed in Jesus. That personal relationship helps when I turn to prayer, whether in joy or in need. I know I am being heard, I may not get the answer ‘I want’, but God will respond with an answer that is God’s response to our need.

At Pentecost the disciples were in prayer when the Holy Spirit came to them, a response they were not necessarily expecting yet God’s response to them was life changing and world changing.

Maybe during that period when we are called to pray you might try praying yourself, at something we have organised or on your own. If you do be open to that response that God will give as you pray.

We will be praying for you, because we will be praying for our communities and everyone within them. As we always do.

May God bless you.

WI

May is our Annual Meeting when we review the last year. An important part of WI is voting for our Resolutions. Over the last 100 years WI members have campaigned on an incredible range of social policy, health, food and agriculture, education, environment and international causes. By exerting their individual and collective influence, WI members have increased public awareness of the issues and brought about important policy changes. By campaigning and pressuring Government we can make a difference bringing about improvements to the quality of life.

'Don't fear the Smear' is the first of our two Resolutions. In 1964 a resolution was passed calling on the NHS to provide comprehensive and routine smear tests for all women in order to detect cervical cancer. It is clear that attendance at screening clinics is lowest amongst women between the ages of 25 and 29. There are other issues affecting the uptake of the screening including cultural and language barriers, inconvenient appointment times and concerns about the test results. This new resolution would improve the public understanding of and engagement with the screening programme.

The second Resolution is 'A call against the decline in local bus services'. Drastic cuts in funding for supported bus services over the past decade has affected over 3,000 bus services. A bus service is a vital tool for connectivity, growth and social cohesion. It ensures that communities remain sustainable, reduces social isolation and ensures access to employment, education and local facilities such as shops, leisure centres and health services.

We debated both these Resolutions and agreed to support the vote for both at the Annual Meeting in Bournemouth, next month.

Wednesday June 19th, 7.30pm Indian Cookery with Sheela Udeshi. Visitors and New Members most welcome. Competition- a decorated card (A5)

Friday June 28th, 12.30pm. Lunch at the Lion Inn, Clifton upon Teme.

Neighbourhood Development Plan REFERENDUM August 1st, 2019 to be held at the Broadwas Village Hall

Members of the Parish Council have been working over the last 2 years to produce a Neighbourhood Plan that will safeguard the community.

The Plan has been out for comment from; the parish, businesses, and other bodies that have a stake in the community.

The feedback allowed for modifications and then the revised plan was presented to Malvern Hills District Council and an Independent Examiner.

His comments allowed the team to refine the Plan further.

MHDC will go through various procedures that will result in a Referendum of the Parishes of Broadwas & Cotheridge being held on **Thursday August 1st.**

If you can please read the NDP version 4.2 available from the website
