

# VILLAGE HALL MANAGEMENT COMMITTEE NOTICE

## NEARLY NEW AND TABLETOP SALES

The Village Hall Committee are delighted to advise you that the 2 Nearly New and Tabletop sales hosted in Broadwas Village Hall this year raised £1070 towards the cost of the new extension.

Members of the committee would sincerely like to thank those of you who donated items, those who supported the event and of course those who worked extremely hard to bring these events to fruition and their subsequent success.

Work has now started on the extension of the hall and we look forward to a celebration sometime next year when restrictions are lifted.

The Xmas Craft Fair in December has been cancelled; however, we are considering hosting a Spring Fair if possible.

The Committee wish you all a very Happy Christmas and New Year 2021.
